#### KRAMER IS WILLING, BUT NOT FOR CHAMPIONSHIP

Reports from Newark are to the effect hat Frank Kramer is keen for a series of match races with Jackie Clarke, the peedy Australian. All he wants, he says, as fair purse and a track for the races, be declares that he is confident that he an best Clarke, or any other man in the world, but, even at that, he is unwilling to have the world's championship thrown ato the game to go to the winner of he series. Kramer has held the world's the of champion for him years, and aparently is keen for retaining it, out he will not put it up for the winner of the patches he seems anxious to make with he australian Rocket.

(Special to The News.)

Camp Perry, O., Aug. 19.-The Utah rifle team spent another busy day yesterday in practise matches. The war department has refused to permit Lieut, Hugh Walthal, Fifteenth U. S. infantry, who consided the men at tasir preliminary practise at Fort Dougias, to act as team coach in the national matches. This, while a serious drawback for the boys, will not put them entirely out of the running, as he is coaching the individual members strenuously in the preliminary work here and each man will go into the record firing Monday with his nead filled with convenient data on elevations, windage, mirage, barometric pressure, humidity and all other features which figure in accurate shooting with the military rifes at the longer ranges.
